Please call 9 a.m. - 9 p.m.

The grey area is the space used by the standard bracket as shown in the photo. Other bracket designs are available, please see website.

This 27mm pole will span in the region of 8 feet (2.4mtrs) without a centre bracket. Also available in 33mm; will span up to 3mtr without centre bracket.

PLEASE NOTE, DUE TO PAGE SIZE THE BRACKET MAY NOT BE SHOWN AT ITS ACTUAL LENGTH. AS STANDARD IT EXTENDS APPROXIMATELY 14 CM BELOW THE BOTTOM OF THE POLE.

This can be reduced if required.

Side view with large bush

I hope this new print out feature has been of use in selecting a curtain pole suitable for your requirements. Please call if I can be of further assistance.

Poles can be ordered online or by telephone.
